

An unhurried weekend

Two days by the coast

A quiet table, a notebook and time to look around.

The plan

Leave room between destinations. Begin with coffee, walk along the water and return before the afternoon light disappears.

Day	Morning	Afternoon
Friday	Arrive and settle in	Harbor walk
Saturday	Market and coffee	Coastal path
Sunday	Slow breakfast	Pack and return

Details worth keeping

The itinerary is a suggestion, not a timetable. Keep the afternoon free if the weather is good.

Packing list

- Notebook and a pen
- Water bottle and a light jacket
- A camera, with room for more pictures
